Since 1883, Weyersberg, Kirschbaum & Co (WKC) has been manufacturing military swords and cutlery in Solingen, Germany, a city famous since the middle ages for its metal-working and craftsmanship in sword making.

Today, as the oldest and largest sword manufacturer in Germany, this family-owned business is the leading supplier to military schools and services worldwide for ceremonial swords, including the military academies in the United States.

Since this time, we have continued in the tradition of handcrafted swords, daggers and uniform accessories according to the specialized skill of artisans using their unique knowledge as passed on from generation to generation - guarantee of unmatched quality.

The attention given by our uniquely skilled craftsmen ensure that each sword and scabbard is produced according to our rigorous quality Standards.
